DONE IN A MEETING/BACK TO SCHOOL BONANZA QUESTIONNAIRE

Throughout the year, the Junior League of Lufkin allocates time during their monthly general meetings to participate in specific projects that support our community. These are called "Done in a Meeting Projects." They are quick projects which give our members the opportunity to immediately impact an organization the Junior League of Lufkin supports. Please provide ways the Junior League of Lufkin can support your organization directly during one of our monthly meetings. We would like you to be as creative as you can be to utilize our talents within our organization, keeping in mind that the most amount of time that we can spend is approximately ten minutes per meeting. Use the space below to describe your project idea and how it would benefit your organization.

The Junior League of Lufkin's Annual Back to School Bonanza is aimed at helping school children in Angelina County. We supply backpacks and school supplies, as well as shoes and uniforms to students in need. It is crucial for the success of this project to have collaboration from other organizations within the community. Assistance can be in the form of volunteers, literature, etc. How can your organization collaborate with the Junior League of Lufkin's Back to School Bonanza?
