Benefits for sponsorship will begin September 1, 2020 and continue until August 31, 2021. The partner is responsible for furnishing all promotional items needed for their elected level, including any banners for display at a JLL event. All promotional materials and content used for Junior League of Lufkin events and publications are subject to review and approval. Partner benefits do not begin until initial payment is received, unless prior arrangements have been made. Partners are responsible for making arrangements to attend the events that correspond with their partnership level. Junior League of Lufkin meetings are held on the second Tuesday of every month. Katie Webb will serve as a liaison for fulfillment of partnership benefits included with each elected level. She can be contacted at 936.279.8901 or helpinghands@juniorleagueoflufkin.org.

Here's a little insight into what we've been up to and what partnering with JLL is all about...

Camp Get Fit/Kids in the Kitchen is our healthy lifestyle initiative camp hosted at the Boys and Girls Club. Campers participate in cooking, exercise, and health awareness with a focus on the importance of making lifelong healthy choices. This camp takes place yearly in June/July.

In August 2020, the League partnered with over 50 local organizations and distributed approximately 2,600 free backpacks full of school supplies to school children of Angelina County through Back to School Bonanza. These children were also given the opportunity to obtain free health kits, free shoes and free uniforms. JLL will host Back to School Bonanza again in August 2021.

The Little Black Dress Initiative (LBDI) is a week-long social media campaign and fundraiser aimed at raising poverty awareness. Participants wear one black dress for five consecutive days to raise consciousness about the prevalence of poverty in Angelina County. The funds raised from this campaign will support JLL's efforts to focus on the economically disadvantaged in Angelina County. This campaign will take place from Sept. 28-Oct. 2, 2020.

Rummage Sale serves two purposes, to raise funds for JLL's community projects, while also providing much needed household items and clothing at greatly reduced prices. As part of this event, JLL gives away thousands of dollars in cash vouchers to be distributed by other nonprofit organizations. These organizations, such as the Family Crisis Center of East Texas, Mosaic Center, and Buckner Family Services, also serve the women and children of Angelina County. The recipients of the vouchers can redeem them for merchandise at the sale. The sale will be held on October 9-10, 2020, at St. Andrews the Apostle Catholic Church.

Touch-A-Truck provides a unique opportunity for children to explore vehicles of all types including public service, emergency, utility, construction, landscaping, transportation, delivery! Children will be allowed to touch their favorite vehicle and get behind the wheel. Games, activities, and food will also be part of the day's events. This event provides an excellent opportunity for JLL partners to showcase their brand and interact with parents, children, League members, and the Angelina County community-at-large. This event will take place on March 20, 2021.

Raffle with a Mission tickets are sold throughout the Spring until mid-May and can be purchased through any member of JLL. With at least eight raffle items eligible to win, there are over 10,000 tickets sold in our community. All money raised goes towards supporting JLL's commitment to help the women and children of Angelina County. This fundraising takes place each spring.

Girls Rock Academy is a JLL's community project aimed at empowering teenage girls with the skills and mindset to reach their full potential. The program is designed to mentor 7th grade girls, on topics such as social media, drug awareness, healthy eating, etiquette dining, community service, mental health, self-esteem, body image, and healthy relationships.

Living on the Edge is a poverty simulation designed to help participants understand what life might be like with a shortage of money and an abundance of stress. JLL offers this experience to schools, churches, businesses, social service agencies and other organizations.

JLL provides a number of grants each year to organizations that take on specific projects that align with JLL's commitment to help the women and children of Angelina County. JLL also has a scholarship application process for senior girls graduating from schools in Angelina County.
